## CERTIFICATE OF CONFORMITY

It is confirmed that the emergency luminaire product NS8 manufactured under the **Menvier** brand name, is supplied in accordance with the terms of the contract and manufactured to and complies with the current required standard:

BS 4533:102.2/EN 60598 – 2-22 – Emergency luminaires

It is also confirmed that the luminaires comply with the declared IP rating where appropriate.

The internal measures implemented to ensure the continued conformity of the products are the Quality Procedures installed and maintained for the requirements of the Company's registration to BS EN ISO 9001:2000.

Signed: David McColl

Quality Manager,

Doncaster, 20 March 2003
