(D) **Sicherheit und Installationshinweise**

Die Leuchte darf nur von einer Elektrofachkraft installiert und in Betrieb genommen werden.
Arbeiten an der Leuchte dürfen nur im spannungsfreien Zustand durchgeführt werden.

(GB) **Safety and installation information**

The luminaires must only be installed and put into operation by a qualified electrician.
Work on the luminaire must only be carried out in a tension-free state.

(F) **Remarques relatives à la sécurité et à l'installation**

L'installation et la mise en service du luminaire ne peuvent être effectuées que par un électricien.
Les travaux sur le luminaire ne peuvent être entrepris que si le luminaire est hors tension.

(I) **Sicurezza e avvertenze per l'installazione**

L'installazione e la messa in funzione devono essere eseguite esclusivamente da.
Eseguire lavori agli apparecchi esclusivamente a tensione nulla.

(E) **Indicaciones de seguridad y de instalación**

La luminaria sólo debe ser instalada y puesta en servicio por un electricista.
Los trabajos en la luminaria sólo deben ser efectuados cuando no haya tensión.

Recyclingpapier - hergestellt aus 100% Altpapier

(D) **Hinweis zur Aufbewahrung**

Bewahren Sie diese Montage- und Bedienungsanleitung für eventuelle Wartungs- oder Demontagearbeiten auf, bzw. stellen Sie diese Montageanleitung dem entsprechenden Personal zur Verfügung.

(GB) **Storage information**

Keep these mounting and operating instructions for any future maintenance work or dismantling, or make these mounting instructions available to the appropriate personnel.

(F) **Remarque relative à la conservation**

Conservez ces instructions de montage et ce mode d'emploi pour les éventuels travaux de maintenance ou de démontage ou mettez-les à disposition du personnel correspondant.

(I) **Consigli per la custodia**

Conservare per eventuali lavori di manutenzione o di smontaggio le presenti istruzioni di montaggio e per l'uso o metterle a disposizione del personale addetto.

(E) **Indicación de conservación**

Conserve estas instrucciones de montaje y manejo para posibles trabajos de mantenimiento o desmontaje o póngalas a disposición del personal correspondiente.
