

**P36-20 Recessed profile**  
Article no. 73654260

Light.  
For Generations.

**Tender**

Recessed profile, alu anodized. For optimal attachment of the profile this holders are suitable 53010000 53011000 53012000. For connecting of two profiles is the connector 53013000 optimal suited. With the use of profile covers 73402000 73402070 73402080 73432070 the additional mechanical protection and optimal light distribution can be achieved. The associated end cap set is under 53066260 available. Mounting method: Recessed profile, Material: Aluminium, dimensions profile: length: 100 mm x width: 30 mm x height: 20,4 mm

- Product Benefits**
- Available in white, black and anodized aluminum.
  - Up to 4 meters in length in one piece.
- (For deliveries beyond 2000 mm: Please ask for delivery costs separately).
- Large light emission due to height-offset cover.
  - For each cover we offer the matching end caps.

| Packaging hight         | 45 mm                                                                                                                                                                                                                                                                                                                                                               |
| Note                    | Please note that the materials aluminium and PMMA or PC can expand differently with changes in temperature! At a temperature change of 10°C, the coefficient of expansion is approx. aluminium is approx. 0.7mm per metre, for plastic approx. 1.5mm per metre. This is not a defect in the product, this is a normal physical process. physical process.           |
| Disposal at end of life | This product must not be disposed of with household waste. You are obliged, to dispose of such electrical waste separately.<br>By disposing of electrical waste and other old or defective electronics separately, you support recycling or other forms of re-use. In that way you help to take care and to avoid that harmful substances get into the environment. |
